

Reed's Announces Closing of \$5.6 Million Financing Transactions

May 31, 2023

Financing Includes Strategic Investment from New Hong Kong Partner

NORWALK, Conn., May 31, 2023 (GLOBE NEWSWIRE) -- [Reed's, Inc.](#) (OTCQX: REED) ("Reed's" or the "Company"), owner of the nation's leading portfolio of handcrafted, natural ginger beverages, today announced it has closed a series of financing transactions for an aggregate of \$5.6 million.

Reed's closed a \$4.1 million PIPE issuance led by D&D Source of Life Holding LTD ("D&D"), a Hong Kong based investment company with several investments in consumer product companies, including Waldencast, a global multi-brand beauty and wellness platform that is currently valued at over \$1.0 billion.

As part of D&D's strategic investment, the Company and D&D entered into an alliance to import innovative beverage products into the US market, as well as to export Reed's robust portfolio of better-for-you products into Asia.

The Company's largest shareholder, Union Square Park Capital Management, and John Bello, Chairman of the Board, also participated in the PIPE transaction.

The purchase price per share was \$2.585, which is based on a premium of 10% to the average of the bid and ask prices on May 19, 2023. In addition, the Company has issued warrants to purchase one share of common stock for every five shares subscribed. The warrants have an exercise price of \$2.50 and a term of three years.

In addition, the holders of Reed's secured convertible notes augmented their current bridge note by \$1.5 million and extended the repayment date to September 29, 2023, subject to certain conditions. As part of the bridge financing, the holders also waived certain covenants.

"Today marks a new turn for Reed's as we secure this strategic investment and form a partnership with D&D," said Norman E. Snyder, CEO of Reed's. "This capital injection will dramatically improve our working capital to accelerate growth, as we can now build up inventory to appropriate levels and fulfill the demand for our products. Partnering with D&D will also enable us to leverage their market presence to distribute our products overseas, while utilizing our 45,000-store network to bring their natural, better-for-you products to the U.S.

"With our continued reduction in operating expenses, ongoing demand for Reed's products and a newly fortified balance sheet, we have a clear runway to achieve our growth and profitability objectives in the back half of 2023. We are also pleased with the vote of confidence from receiving additional investments from our three largest shareholders."

Reed's plans to use the aggregate gross proceeds of approximately \$5.6 million, before deducting fees associated with the transactions payable by Reed's, for building inventory and general working capital and general corporate purposes.
